

## Energy Analyst (f/m/d)

The department Group Purchasing is looking for an Energy Analyst (f/m/d).

You will be located in our Headquarters in Heidelberg, Germany and report directly to the Head of Group Energy Purchasing.

### Your next challenge

- ▣ Provide market intelligence to the business lines for several energy markets globally
- ▣ Collect data from many sources and compile market insights out of the data
- ▣ Qualitative and quantitative market modelling
- ▣ Detailed analysis of energy costs of our sites
- ▣ On base of the analysis work on cost saving projects for different countries in international teams
- ▣ Energy reporting on Group level for quarterly Management Meetings, Board Seminars and Investor Relations meetings
- ▣ Support Country Purchasing Managers during the tendering process

### Your profile

- ▣ University degree in business administration, information technology or engineering
- ▣ Strong conceptual & analytical skills
- ▣ Ability to achieve acceptance and to communicate professionally with partners, suppliers, country managers and colleagues in different areas and at different hierarchies
- ▣ Ability to work in a self-motivated and flexible way towards agreed objectives
- ▣ Good knowledge of MS Excel, MS PowerPoint
- ▣ Result-oriented, especially regarding the implementation of new processes and organizational changes
- ▣ Readiness for geographical mobility and travel
- ▣ Good knowledge in English, both written and oral
- ▣ Intercultural understanding and the ability to work in an international team
- ▣ Service orientation

We are looking forward to your application online!
