

**Dear Friend,**

Are you a master's / Ph.D. / postgraduate student up to 35 years old who is focused on energy business and speaking fluent English? Don't miss this opportunity to take part in a remarkable project in the energy sphere organized for young people from over the world.

**ENERGY CHALLENGE** gives you an opportunity to:

- ✓ Enhance your knowledge of the energy business.
- ✓ Demonstrate your best personal and professional skills and competences to the leading energy companies.
- ✓ Communicate with peers and top-level experts at the international level.
- ✓ Create a professional network.
- ✓ Discover career opportunities in the energy sector.

Senior and top managers of GAZPROM, UNIPER, WINTERSHALL DEA, GASUNIE, SHELL and other leading energy companies are looking forward to meeting the young generation for knowledge transfer and new ideas and solutions search.

After registration and a qualification test, you are welcome to our platform:

- The *first stage* (April – July 2021) is **Virtual Academy**. It's a charge-free online educational program on energy topics. You will receive access to analytical material, webinars, discussion platforms, and expert assessment. 50 of the best graduates will be qualified for the next stage.
- The *second stage* (October 5-7, 2021) is **Youth Day** as part of **the 10th St. Petersburg International Gas Forum**. It is an amazing three-day program of interactive events: team-building exercises, business game, high-level meeting with executives of energy companies, etc.

Get more information and APPLY on [www.energyyouthday.com](http://www.energyyouthday.com) till **April 1, 2021**.
